President Obama: 101 Likes, Moments, Similes, and Moments

I veered between revulsion at the persecutory practices of the Elizabethan state and sympathy for its operatives, who had to deal with sophisticated terror networks and some very slippery language. All partners who can contribute to action as a public health system should be encouraged to assess their roles and responsibilities, consider changes, and devise ways to better collaborate with other partners.

The Secret of the Pink Ray

That the Romantics were often conscious of what was at stake in this undertaking, and of its subversive character, is illustrated by a remark Dorothea Schlegel makes in a letter: Since it is altogether contrary to bourgeois order and absolutely forbidden to introduce romantic poetry into life, then let life be brought into romantic poetry; no police force and no educational institution can prevent. Beasts tell lies.
