There have been a number of rumours about a film version of Rex Mundi. Her parents apparently found her in the basement of their home, strangled and hit in the back of the head. And then it turned out that they apparently just needed to say "I claim you," but I had no memory of that happening in the previous books, and I read them back to .

From this survey emerges an account of how and why plagiarism became important

He was a great scientist and an extraordinary man whose work and legacy will live on for many years. He was pressed forced into service involuntarily into the Royal Navy, and after leaving the service became involved in the Atlantic slave trade. How should one relate to a marriage partner who is not a victorious Christian. The journal addresses scholars of literature and linguistics as well as scholars of comparative literature interested in this field.
