From the king down to the beggar there was much weeping and repenting. This too is my other most favorite book in this genre.

The Chinese character for mindfulness combines the ideograms for presence and awareness. It hits home in so many ways. I write this with tears and a very heavy heart as my 3 cats lay with me, licking my tears for you. View all 3 comments. Diogenes has also been the subject of sculptures, with famous bas-relief images by Puget and Pajou.
