It wasn't agitated action but I loved the pace of events and how things got resolved. It wasn't the hardship, for I've had worse nights, and I expect to have worse still before I die, but it was the troubled mind along with it. Students will learn how to relate the sales function to other functions of business and will study techniques for estimating sales potential, forecasting sales, manning territories, and selecting, training, supervising and compensating the sales force.
